

## ARGYRANTHEMUM Sassy®

Sassy White - C

Sassy Double White - C

Sassy White - M

Sassy Yellow - M

Bright, cheery blooms bring vibrant color and joy throughout the spring season. The Sassy Range® are known for their delightful appearance, making them a popular choice among gardeners.

Their controlled upright growth habits make them suitable for a variety of pot sizes and with a long blooming period, they add a refreshing touch to any garden.

Sassys thrive in a range of conditions, allowing for versatile planting options and their simple care requirements make them accessible to both novice and experienced gardeners alike.

### HIGHLIGHTS:

- Selected for excellent branching and mounding habit
- Reliable performance and low maintenance
- Ideal for high density containers
- Bright, cheery blooms with vibrant color
